Dr. Saurabh Bandyopadhyay has led and contributed to numerous high-impact research studies across diverse domains. His expertise spans agriculture and the rural economy, infrastructure, and process and policy evaluations, with a core focus on evidence-based assessment and generating data-driven policy insights.

Agriculture & Rural Economy

- *Assessing Indirect and Intangible Benefits of Major Irrigation Projects in India*
- *Impact Assessment of Central Finance Commission Grants at the Grassroots Level*
- *Assessing Species-wise Demand for Fisheries across Major Indian States*
- *Performance Assessment of Agro-Processing Cooperative Units for the National Cooperative Development Corporation*
- *Agriculture Marketing Strategy Study on Onion Price Behaviour*
- *Agriculture Outlook and Situation Analysis Series*
- *Convergence of Agricultural Interventions in Maharashtra*
- *Impact Evaluation of the National Dairy Plan–I across India*
- *Impact Evaluation of the Rashtriya Gram Swaraj Yojana (RGSA)*
- *Generation of Own Source Revenue (OSR) by Rural Local Bodies*
- *Economic Viability Assessment of Gaushalas in India*

Infrastructure

- *Connectivity and Trade Studies*
- *Railways Passenger and Freight Operations Analysis*
- *Evaluation of Dedicated Freight Corridors*
- *Refinery and Petrochemical Sector Studies*
- *Cement Sector Performance and Investment Analysis*

Processes and Policy Evaluations

- *Fare Revision Process of Hyderabad Metro Rail Limited (HMRL)*
- *Evaluation of Price Stabilisation Fund and Price Support Scheme*
- *Assessment of Multi-State Cooperative Societies*
- *State-Level Investment Potential Index Development*
- *Skill 3E Index (Employment, Employability, and Education) Formulation*
- *Evaluation of Direct Benefit Transfer (DBT) Mechanisms*

Through these studies, Dr. Bandyopadhyay has gained deep empirical understanding of development processes, underpinned by rigorous field-based evidence and analytical insights.

Profile Summary

Dr. Bandyopadhyay brings extensive expertise in evidence-based impact assessment, grounded in rich experience with both primary and secondary data systems across agriculture, industry, and the social sector. With strong capabilities in data analytics, survey-based evaluation, and policy interpretation, he effectively translates complex evidence into actionable insights for policymakers through reports, briefs, and strategic dissemination.

Work Experience

Academic Record

- 1996 **Ph. D** (Economics) from the International Trade and Development Division, Jawaharlal Nehru University (JNU), New Delhi as UGC Senior Research Fellow
- Ph. D. Dissertation: *Economic Reforms, Growth of Productivity and Export Performance: Experiences of India and Selected Latin American Countries*, 1996
- Dissertation Committee: *Prof. K. L. Krishna (Delhi School of Economics), Prof. B. N. Goldar (Institute of Economic Growth, Delhi) and Prof. Sandwip K. Das (Jawaharlal Nehru University, New Delhi, and later with the University of California, USA)*
- 1991 **M. Phil** (Economics) International Trade and Development Division, Jawaharlal Nehru University (JNU), New Delhi
- 1986 **M. Sc** in Economics, University of Calcutta, Calcutta

- ◆ Income Recognition Norms and Banking Reforms in India (February 1995), (along with Prof. Shubhasis Gangopadhyay and Dr. Wilima Wadhwa) for the Planning Commission, New Delhi (mimeo)

Major Project Experiences

- Project Leader to Impact of Indian Railways in Economic Growth and Development, sponsored by the Department of Planning, Railway Board, Ministry of Railways
- Project Leader of the study on Assessing Indirect/Intangible Benefits of the Major Irrigation projects in India, a study commissioned by the Central Water Commission (CWC) under the aegis of the Ministry of Water Resources
- Core Project Team of the National Skill Gap Study for High Growth Sector, sponsored by the Ministry of Skill Development and Entrepreneurship and led the analysis for the Livestock Sector
- Project Leader of the study for Impact Assessment of Central Finance Commission's grant at the Grassroots level, a study sponsored by the Ministry of Panchayati Raj (MoPR).
- Ministry of Skill Development & Entrepreneurship (MSDE) project on studying the skill gap, focusing on the livestock sector as part of Core-Team Member, ongoing
- Study to evaluate Price Support Scheme (PSS) and Price Stabilization Fund (PSF) for Onion and Pulses: Sponsored by DMEQ, NITI Aayog, Status Completed, Capacity as Project Leader
- Study to revise the fare of the Hyderabad Metro Rail: Sponsored by Hyderabad Metro Rail Ltd. Completed, Capacity as Project Leader, March 2024
- PM-EAC project, coordinated on the Annual Survey of Industry (ASI) part with Piyali Majumdar and Ajaya Sahu, November 2023.
- Study to Assess the Demand for the Fisheries Sector in India; Sponsored by the Ministry of Fishery, Animal Husbandry and Dairying. Status: Completed, as Project Leader, May 2023
- Study to Assess the Availability of Resources for Creating the Assets and Initiatives taken for Generating Various Own Sources of Revenue in the functioning of local governance in India. The study covers 23 major states of India at the grass-roots level of governance; May 2022
- Study to Assess the Impact of RGSA on the Functioning of Local Governance in India. The study covers 12 major states of India as well as Traditional Local Bodies (TLBs), September 2021
- NCAER study to Assess the Competitive Landscape of the Cement Industry in India and the Trend of Profitability in Comparison to Other Related Sectors of the Indian Economy; August 2021
- NCAER study to assess the economic impact of the Ratnagiri Refinery and the Petro-Chemical Complex Ltd. on the West Coast of Maharashtra since March 2020.
- NCAER study of the Socio-Economic Impact Evaluation of the National Dairy Programme (NDP-I), by the National Dairy Development Board, with assistance from IDA (International Development Assistance) since May 2019
- Study on Agricultural Diagnostics for the State of Bihar in India; 2018-19

- Impact Assessment Study of Convergence of Agricultural Interventions in Maharashtra (CAIM): 2018-19
- Assessment of the Progress and Preparedness of the Direct Benefit Transfer (DBT) across States and Union Territories of India (Mimeo), 2018-19
- N-SIPI (NCAER-State Investment Potential Index), August 2018
- Study for Assessing the Need for Establishing a Separate Authority for the Office of the Central Registrar of Cooperative Societies (CRCS); this study is for the Ministry of Agriculture and Cooperation, 2017-18.
- Developing Skill 3E (Education, Employability, and Employment) Index at the state levels for India, 2016-17
- Contributed “Airport and City Link” in the study on the Economic Impact of Indira Gandhi International Airport, Delhi, August 2017
- Factors Impacting Railway Freight Traffic in India –a detailed study of the movement of bulk commodities in India and the reason for the recent slowdown, May-June, 2015
- Quarterly review of the Industry Sectors in India
- Assessment of the Institutional Funding Gap to the Cooperative Agro-Processing Sector in India and opportunities lost in creating employment potential in the rural areas of India
- Targeted Public Distribution System in India- Evaluation based on its impact on the level of food security for the population below the poverty line, 2015-16
- Airline Operation in India- Analyses of the Impact Based on Employment and Output in India, 2016
- Study of Agricultural Outlook and Situational Analyses for India. Coordinated PDA-based surveys all over India with schematic planning, starting from pre-testing survey to data extraction from the server, its compilation, and analyses. This study was assigned by the Ministry of Agriculture, Government of India 2013
- Detailed study of Passenger Traffic for the Indian Railways for the Ministry of Railways. Designed and implemented outlines linked to the detailed demographic structure of the Railway Passengers in India to assess their perceptions of service quality and willingness to pay. 2012
- Study of Agricultural Marketing Strategy for India: A case study of onion price fluctuations and its relevance to the incentive structure of the farming community.
- Project Leader for the extended study of the Cable TV Market in different parts of India. 2010-11
- Principal Investigator in the study of the Cable TV market in the small towns of India. The study is aimed to assess the number of Cable TV Homes in the Small Towns of India and the cost per connection. The study is extended further to analyze the demographic parameters in terms of ward clusters to ascertain the reason for the penetration of TV households in the small towns of India. 2009-10
- Study on the Evaluation of the Status of Infrastructure in the Port and Airport sector in India
- Study of Cement Industry and its Sectoral Linkages;
- Evaluation of afforestation in the catchment area of the Indira Sagar Dam in Madhya Pradesh
- Study of Current Policy and Regulatory Environment for Attracting Investments in Infrastructure, Mach, 2009 (NCAER) Draft Report Submitted to the Planning Commission
- Field-level analysis of the women’s participation in weaving-based employment in Northern India (UNCTAD study)
- Principal Researcher to Business Expectation Survey (BES) in two different intervals that are considered to be a comprehensive indicator of the business sentiment of the country.
- Bearing Point study of Capacity Building in the three states of Uttarakhand, Jharkhand, and Karnataka, 2006-07. My role was linked to the coordination of research activities through meetings with government and other officials, data assimilation, and using the outcome in the analytical framework of the report.
- Visa International study to evaluate and assess the emerging trend of transition of India’s paper-based monetary transaction to the plastic economy along with the prospect of retail credit in India. 2005
- The study for SAB Miller to assess the incidence of taxation on the market for beer and possible ways to retain high revenue growth of excise without affecting the level of demand
- Complementary study of the Naresh Chandra Committee (to suggest the roadmap of the liberalization of Indian civil aviation) conferred to NCAER by the Ministry of Civil Aviation. While analyzing the market, the study predicted an immense potential for budget airlines, which were at their nascent stage in 2004 and are now a reality
- Study to evaluate and assess the prospect of domestic tourism (Ministry of Tourism)-2003

- Study to evaluate the level of satisfaction with the export credit delivery system by RBI-2002
- SIDBI Study and Survey of Small-Scale Units in India, 1999
- Study to predict India's petroleum requirement (Ministry of Petroleum)-1997
- Study to assess the performance of the State Level Public Sector Enterprises (SLPEs), 1998-99 (Study was sponsored by the office of the Comptroller & Auditor General of India)
- Led World Bank research project on the impact of economic reforms on SMEs in 1997.

Presentations, Meetings, Workshops, Training & Courses

- Attended the NHAI-NCAER Centre Inauguration and Inception Workshop, July 20th, 2026
- Meeting cum Presentation in the 9th CMC (May 25th, 2026), 10th CMC (June 23rd, 2026) and 11th CMC (July 17th, 2026), at Central Water Commission, Sewa Bhawan, New Delhi
- Meeting cum presentation with the Joint Secretary of the MoJS on March 23rd, 2026 at Shram Shakti Bhawan, New Delhi
- Presentation in the National Workshop for the all the Regions on March 17th, 2026 at NCAER, New Delhi
- Presentation in the Regional Workshop for the Southern Region on February 20th, 2026 at Bangalore
- Presentation in the Regional Workshop for the Eastern and NE Region on February 13th, 2026 at Guwahati
- Presentation in the Regional Workshop for the Western Region on February 9th, 2026 at Pune
- Presentation in the Regional Workshop for the Northern Region on February 2nd, 2026 at CWC Headquarter, New Delhi
- Presentation on Project Findings of the CWC Study, at CWC Head Office, New Delhi, September 12th and July 2nd, 2025
- Attended and participated in the 2-Day National Workshop on Panchayat Advancement Index 2.0 for the FY 2023-24, organised by the Ministry of Panchayati Raj (MoPR) at Dr. Ambedkar International Centre, Janpath Road, New Delhi, 26-27 May, 2025
- Presentation in the first meeting of the Consultancy Management Committee for the "Assessment of Indirect/Intangible Benefits of Irrigation Projects" by NCAER, commissioned by the Central Water Commission, Ministry of Jal Shakti, 28th February, 2025 at CWC, New Delhi
- Training conducted for the Impact Assessment Study of Central Finance Commission Grants at the Grassroots Level at the behest of the Ministry of Panchayati Raj (MoPR) at T2 Auditorium of NCAER, November 21-22, 2024
